Brothers, as the months go by and the Virus appear to be receding, mainly because of vaccinations; we are told that Lock-down will be eased, maybe by mid-June early July; sounds good, but please be cautious. I know that you are anxious to get back to normal, but my advice is to wait for your Priests to give you the green light, and when they do, I would still say to you be Cautious. Keep using the P.P.E., distancing and sanitise the meeting room before and after meetings until maybe September, when maybe everyone will be vaccinated. Please remember to stay in contact with your elderly brothers.

Brothers, we have had a wonderful four-hour Workshops on the 5th June, by the four Supreme Directors, for Spirituality & Welfare, Membership & Development, Finance & Administration, and Action & Youth, on zoom, but the brothers of the Order, who most needed this training were wholly absent. Where were you? What is the point of these training sessions if you do not attend?

Provincial Council Meetings, is where all the Council Grand Knights Meet, collectively, to discuss the past three months; it is your opportunity to meet the other Grand Knights and fraternize, so why are there so few GK's at these meetings? What is lacking? Do you bring new ideas, would you like to change some things, or do you arrive with no agenda? This is your meeting, your opportunity to make things happen; or do you think it is all up to the Provincial Grand Knight?

We have a few Vacancies outstanding in Province, please come forward to fill the Gaps.

Council Meetings is where all the brothers of your Council meet, on a regular Monthly basis. Every Council Officer is expected to write a report, to tell the Council what took place last month. He will present this to the Secretary, who will collate and publish it within the minutes of your last Council meeting. The Secretary will also post a copy to the Provincial Secretary.

Send forth your Spirit Oh Lord and renew the face of the earth.

Eric Joseph

COUNCIL 399 UXBRIDGE

As the world entered uncharted territories in 2020 with the big hit of Covid-19, many of us in the Council were affected in some form or another (either had Covid-19, know of someone who had Covid-19, related to someone who had Covid-19 or passed away from Covid-19), let's keep praying for all those affected and those recovering from the virus.

The lockdown was a big challenge to all of us, for the first time, during our lifetime we were unable to have any easter celebrations. We are thankful things have started looking brighter for 2021, and we pray it gets better.

The knights have been very active since the resumption of mass at St. Bernadette Hillingdon, we have been involved in carrying out Covid protocol duties to keep our parish church open and help our parishioners follow the rules whilst at mass. Our brothers and their family members also help with cleaning and sanitizing the church after the 11am mass. A big thank you goes out to Bro Edwin Carlos and his wife Percinette and their children for all the help. I must also say a big thank you to Deacon Reg Abrahams and his wife Bella who are part of the engine room of our parish.

The Knights lead a weekly rosary prayer on every Friday which became the stations of the cross for the period of lent (via zoom), this is opened to all parishioners and guests.

During the lockdown, meetings continue to be held using zoom and will continue to do so until face-to-face meetings become possible and till such time as life permits us to return to normal. Having said that, some of our brothers are fortunate to see each other when assisting at Sunday mass, while observing social distancing.

Our Brothers are also involved with the confirmation formation classes and helping out during the first holy communion masses.

The parish Holy week services program is out and the parish priest has once again called upon the services of the knights to help ensure we have a good easter celebrations.

During 2020 our Council lost a gentle giant Brother Joseph Pender and we were able to show our respect to our late brother within laid down covid restrictions/rules. >>>

>> with the roll out of the vaccine, we are hopeful that life will return to normal and allow us to interact again.

Our parish Priest Fr. Matthew Heslin has on many occasions shown appreciation from the pulpit for the services of the Knights. Let us continue to pray for all our brothers and family members who are working in some form to help to look after the nation during this pandemic.

First instalment of our Provincial Project.

If councils are finding it difficult to fundraise for the Provincial Project, due to the Covid-19 lockdown and restrictions, Bro Gordon Ellis of Council 984 Thames Valley is doing a sponsored Kayak-ing paddle between now and 7th September to raise funds for the project. Some call him Captain Tom of Council 984 because Bro Gordon is 86years old !. Sponsor sheets can be found at the end of this Roundabout and are available by Emailing : council984@hotmail.com. Some may wish to collect sponsorship from their friends and families. Project paperwork was sent out to each council some months ago, but some more are available on request. In this way each council can raise substantial monies for this great project. Fr Julio of Verona Fathers in Sunningdale, is shown receiving the first instalment of £6363 raised by the Knights at his parish. The project does not finish until the end of September, so there will be more to come and fundraising continues. Some Councils may also be adopting the Jam-jar method to raise money - Whichever way you do it, the important thing is to DO-IT in the next eight weeks - in the spirit of "Love thy neighbour" Province 30's neighbours this time are the STREET CHILDREN OF ETHIOPIA.

CHILDRENS' EASTER PRAYERS

EASTER PRAYER - SOME OF PROVINCIAL WINNING ENTRIES

Dear Lord, Thank you for your protection. Its only by your grace that I am here today, thanking you. Many have suffered and many have died but you've never abandoned us all. From the moment you created me you've loved me and protected me. Though this past year has been rough for us all, you've never neglected your beloved. I pray for those living in anger and fear, the broken and tired, the weary. Comfort their hearts so that they know your love; amidst this tough time let them feel your presence. Forgive those who've wandered away from your path, and bring peace to bereaved families. Help them remember that their loved ones are safe in Your arms. This struggle is still present and Covid-19 is still fighting, but You're also fighting - for us. Thank you for your constant love and protections over our global community. Help us remember that the battle has already been won. AMEN

Dear Heavenly Father, I Thank you for protecting me. For protecting my family, for protecting my community during Covid-19. You helped us to embrace the strength that we didn't know we had in us. You gave us that strength and we thank you. We thank you for holding our hands step-by-step throughout this difficult time. You showed us that with determination, we can get through anything. You showed us that if we believe, then in the power of God we can do anything that we set our minds to. We thank you for spreading your hands across the world to protect us in this dreadful time. You showered us in your protection, in your love, and in your grace. Thank you Father. AMEN -

Oh Devine protector, You have been my guardian angel throughout this tough time. Your love have stayed in my heart all the way And I will praise your courage and kindness every day. You have granted me faith and hope to get through to the end. You will always protect me through my ups and downs. I will always admire your greatness. You have been my saviour when I was in great distress. I will always strive to be the best I can be. Your love inspires me more and more every day, and I know that I can trust you with my darkest secrets. You are my one and only God. You will always be my light of the world - AMEN - *Annabel Brown 10yrs Co 970 •*

Dear Lord, Thank you for helping us during this time of COVID-19. Your help was useful because without it, our hope would be lost and the Covid would have spread, infecting everyone. But you came just in time to save and protect the families, friends and communities of Bracknell. Please give us the courage and strength to face these difficult problems another time. AMEN -

Why... Whats the benefit ?

Since last September through Email and at every Council meeting, Province has been asking that the meeting minutes should have 4-HEADINGS... showing the names of Brothers **PRESENT**, the names of Brothers who had contacted the Grand Knight with an **APOLOGY** or don't have zoom, the names of Brothers who are **HOUSEBOUND** or sick, and the names of Brothers who are just **ABSENT**. All names should total up to the number of brothers registered with each Council.

Some Councils have adopted this standard, but some have yet to implement. The Grand Knights of each Council will understand why this is required and what are the benefits of doing things this way. As a Fraternal Order we are always mindful of the care and welfare of ALL our Brothers, but there are occasions where some brothers never ever feature in their Council discussion. Being mindful of ALL Council brothers and their welfare will help ensure that the housebound are never forgotten, that one or other brother will (in between meetings), have phoned them or contacted them to find out how they were, whether they needed any help and to remind them that all brothers will be praying for them. When they get a copy of the minutes, they will notice that their names appear and that brothers were showing concern about their well-being.

All this is a key factor of the *Spirituality and Welfare officer* of each Council. In some cases, brothers may never show up at any of the Council meetings, they are not there, they cannot be participating in the work of their Council, they had not sent in an apology and as far as one knows, they are NOT housebound.

Membership Officers who are responsible for ABSENT brothers, will always be reminded which brothers are not repeatedly attending meetings, and to ensure they are not THE FORGOTTEN ones. Keeping in touch with such brothers helps a great deal in avoiding lapsations, because they will get to know that we miss them and are keen to get their participation in the work of the Council. Covid-19 is often quoted as the reason for anything these days, and true, it has stretched our performance in what we do and the level our Councils' achievements, but it has also shown a number of deficiencies and lax practices which are easily accepted as bending the rules 'under the circumstances'.

As we move out of Covid-19, and soon getting back to face-2-face meetings, the Council minutes are often the only record of how our Councils are functioning. Adopting the standard that Province has passed down to Councils becomes more and more important in order ensure that where membership may be dipping, early efforts are made to restore or recover from a drop in number of brothers, to ensure that welfare is uppermost in our care of our housebound and that each council is seen as performing in a way that radiates our spirit of Unity Charity and Fraternity. •

From around the Councils.....

Council 422 has continued to work with the local school, in this instance with the National Prayer Competition.

The subject this time is “How has COVID-19 affected Our Faith, Our Families and Our Community”, a very appropriate issue.

St. Michael's Catholic School in High Wycombe put forward 52 entries. We were especially pleased that the juniors put a lot of thought into their offerings, and the quality was good, including from the seniors. The winners kept the prayer short but encompassed thanks for the protection from Covid with prayers for those who succumbed to the disease. Here is the winning entry from the Juniors (12 to 14):

Dear Lord

ST COLUMBA 1500th Anniversary Activity pack.

Councils GKs and Action & Youth Officers were asked to contact Primary Schools and Lower Secondary Schools, Parish, Scouts and Youth Clubs as well as your young Children and family and pass them an excellent **Activity Resource Pack** that celebrates Our Patron Saint's 1500th Anniversary. The Pack is designed specially for children with activities that would fill in their spare time as well as allow them to learn about St Columba. Bro Michael Akinrele - Supreme Director for Youth and Young people, is asking that when delivering the Activity Pack, councils can arrange to collect some of the completed works, and forward to Province who will select the best entries and pass on to Head office to show how well the children had done. There is no time limit on this, and if Councils have not yet done it, they can still do. an Email; with the activity packs was sent out to all councils. Please contact Provincial Action and Youth when the schools return some of the childrens' completed works. Thank you.

Introducing new Provincial Officers Prov 30.

Brother Sam Uwechue was appointed **Provincial Secretary** by PGK Bro Eric Joseph in June 2021. Born in Nigeria in 1948, graduated in Chemistry, Engineering and holds MBA and NVQ4. he worked in the oil industry for 32 years as an Executive Director. Moved to London in 2000 to head the London branch of Nigerian Nat Petroleum Corp. On his retirement, he is now a director of a small private Care home for the elderly. As patron of SVP Soc. in Benin City he is President of his college pre-80 alumni association worldwide. Brother Sam was elevated to full knighthood in December 2019 in Council 982, Wembley where he briefly held the office of F&A and now Spirituality and Welfare and DGK.

During a recent provincial committee meeting, he spoken for the good of the order by suggesting aggressive membership drive to inject younger members into the order. He also suggested rotating and challenging brothers to new responsibilities in the councils and province. His suggestion was approved and has led to positive changes in his council. Brother Sam feels honoured to be asked to serve at Province and he looks forward to assistance and guidance by his fellow provincial brothers. Bro Sam will strive for the growth of the order by putting my best foot forward. Brother Sam Uwechue is married to Patricia and they have five children. •

Bro Lindsay Meerabux was appointed **Provincial Membership & Development officer** by PGK Bro Eric Joseph in June 2021, having been elevated to full knighthood to Council 984 in April 2021. He is the first brother to be recruited from Wokingham parish. Born in London in 1967, Bro Lindsay travelled to various countries throughout the world due to his parent's occupation. They returned to London in the late 80's. Bro Lindsay then joined the Metropolitan Police Service, in which he served for 30yrs retiring in August 2018. He and his wife, Carol, embarked on travelling to as many religious sites in the world on his retirement. This was cut short when the pandemic struck. Bro Lindsay, was asked to return to the police service to assist in helping the people of London, when all emergency services were overwhelmed. He organised the help for all the vuneralable people in his street, and delivers food for those below the poverty line. He offers help to the nuns at his church. Bro Lindsay believes that an injection of younger members into the knighthood is needed for it's survival, by giving it more exposure. He is extremely honoured to be asked to serve at Province level and looks forward to tackling any challenges that may arise. Bro Lindsay is married to Carol and has three children and three grandchildren. •
